Rental Terms and Conditions are as follows:

1. Rental of Equipment. Company shall rent the Equipment to Customer and Customer shall rent the Equipment from Company, for the period of time and at the rate indicated in this Agreement.

2. Reservations and Deposits. Some Equipment requires a reservation deposit at the time of the reservation. This deposit shall be applied to the rental period. Company shall not be liable for loss of revenue, or any other inconveniences, which may result from the unexpected unavailability of equipment that has been reserved by the Customer. Customers who do not have an open account with Company may be required to make a security deposit equal to the value of the rented equipment. The security deposit must be paid with a credit card.

3. Rent; Payment Terms. Rent due from Customer for the Equipment shall be based on the rental rate and rental period under this Agreement. Payment is due in full at time of rental of Equipment, or as otherwise determined by Company as follows:
